

APPLICATION TO REGISTER AT MULTIPLE UNIVERSITY OF MINNESOTA CAMPUSES

An agreement exists among the campuses of the University of Minnesota to allow students to attend another campus for **one term** during an academic year without losing their status at their home campus. This application is not meant to take the place of an agreement already in place between graduate and professional colleges (see your college office for information on graduate and professional agreements).

NOTE: Undergraduate students planning to transfer to a degree program at another campus should complete an Application for Undergraduate Change of College instead of this form.

College/advisor approval

Discuss your plans to attend another campus with your academic advisor. Duluth students must obtain approval from their Collegiate Student Affairs Office.

Financial aid approval

If you are receiving any grants, loans, work-study, or scholarships, you must discuss your plans with a financial aid officer. Written approval from the financial aid officer is required. Financial aid can only be used for courses for which you register through the University.

Submitting your application

Submit your completed application (including advisor and financial aid signatures) to your home campus using the address below.

Registration

Once you submit your form and receive approval, you may register for classes offered from the visiting campus using My U > My Academics > Registration link. If you encounter difficulty registering online, contact the visiting campus for assistance.

Placeholder Course

Your home campus will put a placeholder course, "Mult 1," on your record. Do not remove this course.

Tuition, Fees, and Waivers

You will be charged separate tuition rates and fees for classes taken on different campuses. If you have a tuition waiver, speak with One Stop Student Services to find out if the waiver can be applied to tuition at the campus you are visiting.

Reciprocity

If you have reciprocity on your home campus, it does not automatically transfer to the campus you are visiting. You must apply for reciprocity through your home state to get reciprocity at the visiting campus.

Billing

You will receive online billing statements from your home campus and each visiting campus, if you are taking classes on multiple campuses at the same time. Each University campus has a separate website through which you view the bill. You must log into both the home and visiting campus billing websites in order to see an accurate assessment of your tuition and fees charges. (Please note: MyU only displays billing information from your home campus.) You must pay each bill separately; billing due dates for each campus may vary.

Duplicate Fees

You should only be assessed one student services fee and one health plan coverage fee. If you are assessed student services fees or health plan coverage fees for more than one campus, visit either campus office (locations listed below) to have one set of fees removed.
